Metric examples

- 10 church planting trainings are held with 80 leaders. Each leader is expected to start 5 groups (400 total groups) with 50% of groups finishing all modules. Each trainee will start 5 home church groups.
- 6 new videos are posted online in Farsi with approximately 9,000 unique views per video, per month. 1% of views (540) per month lead to one-on-one spiritual conversations with the team via YouTube and Facebook.
- Church Certification Training with 8 churches over the next 18 months resulting in 90% of participants having created implementation plan as a result of the training.
- 41 water wells functioning at 95% and above after 12 months providing access to clean water to an estimated 20,500 people.
- As a result of WASH training, a 50% reduction in childhood diarrhea with 75% of households reporting improved health after 12 months.
