

## The Foreigner Among Us

Part 6: **Extend** – Growing your Diaspora ministry through citywide partnerships  
Nate Scholz

*This session will describe how to create a collaborative environment for churches, practitioner communities, and mission agencies to work together to reach local diaspora communities.*

- ❖ In what ways do you resonate with the first scenario story?
  
  
  
  
  
  
  
  
  
  
- ❖ What do you suppose happened in the meeting in the second scenario story that provided such a stark difference in results?
  
  
  
  
  
  
  
  
  
  
- ❖ What are the most critical elements of the Omega Challenge model?
  
  
  
  
  
  
  
  
  
  
- ❖ How does your heart resonate with the addition of the words “...and then a miracle occurs” within a ministry plan? What has been your experience with considering intangibles along with metrics in missions?

❖ You are an Omega Challenge Champion. Who will you invite to collaborate in your city, which you already trust?

- Practitioner Community
- Church
- Sending Agency
- Existing networks

❖ What small things will you do to cause positive intangible effects in your collaborative circles?

- “deeper trust”
- “loyalty to our partners”
- “commitment to the vision”
